I agree to cooperate with the general policies of the school, paying special attention to:

- Suitable attire is vitally important for the school day. We require your child to continue to wear the approved attire, which includes and not limited to any piece of clothing that has weapons or pictures of violence and closed toed shoes.
- Our program closes everyday at 6:00 pm. You must sign your child out no later than that. If you are going to be late, please call the preschool office to report. You will be charged \$1.00 per minute. Our closing time is reported to licensing and we are only allowed to have children in our care until then.
- Tuition is due no later than the 5th of each month. You may be charged a late fee for payments after that date. If you have a special situation you must see the director to make arrangements.
- Your child must stay home when they have any of the symptoms of illness listed in the handbook. If your child is sent home from the program they will not be readmitted the following day. We will not administer any medications for fevers, vomiting, or any other symptom of illness. These are all symptoms your child should be kept home for if they are exhibiting. All prescriptions must be in a pharmacy labeled container with their names and dosing instructions on them, and have a medication form filled out and signed by the guardian to be administered.
- Your child may be photographed and photos will be used in church/preschool newsletter and websites. No last names and personal information about the child will ever be given.
- There will be no corporal punishment permitted on the school grounds. Corporal punishment viewed by our employees will be reported to Child Protective Services.

I agree to cooperate with the general policies of the school, to perform the obligations of guardians set forth in this agreement and to abide by all the rules, regulations, and manuals promulgated and provided by the school. My signature below indicates that I have read the terms of this agreement and that I have read the rules, regulations, and manuals promulgated and provided by the school. It further indicates that I have had this material explained to me and that all of my questions have been satisfactorily answered.

Child Discipline Policy

The 1985 Florida Legislature adopted a law to further protect children in childcare facilities. The law addresses child discipline in child care centers and states:

1. OM-12.03 Child Discipline.
Child Care facilities must ensure that age appropriate, constructive disciplinary practices are used for children in care.
 - (a) Children shall not be subjected to discipline, which is severe, humiliating or frightening.
 - (b) Discipline shall not be associated with food, rest or toileting.
 - (c) Spanking or any other form of physical punishment is prohibited.
2. Prior to admission of a child in a childcare facility, the facility shall notify the parent in writing of the disciplinary practices used by the facility. The specific types of discipline used for each group must be included in the written material provided to parents. Verification that childcare facilities have provided the parents in writing the disciplinary practices used by the facility shall be documented on the enrollment form or an equivalent form with the signature of the parent.

In compliance with the law, Trinity Preschool has prepared this statement about our child discipline policy:

We recognize that many discipline problems are prevented by careful scheduling of activities and expectations of individual children as age appropriate, and the use of positive communication and listening techniques. We use positive reinforcement and praise when encouraging appropriate behavior.

Occasionally, inappropriate behavior does occur. We will not allow aggressive acts towards other children and staff. It is our policy to:

1. Use positive communication techniques, enabling the child to become calm, to understand that there are better ways to express his or her feelings and to help the child understand responsibility for his or her behavior.
2. Redirect child to another activity.
3. Separate child if necessary to a chair within view of the teacher and children, giving him or her the opportunity to think over his or her actions and to collect him or herself.

The staff at Trinity Preschool will not use corporal punishment, ridicule, humiliation, or denial of food and drink. We will not refuse gross motor activities as a punishment as well. These techniques do not teach a child how to handle his or her behavior when they are upset or angry.

In exercising its discretion under the items listed above, the school will require the child and the child's parents or guardians to attend a conference(s) with school personnel regarding the matters that potentially warrant termination of the Agreement. The child's parents/guardians may request a conference with school personnel regarding the matters that potentially warrant termination.

The school's director or staff shall have the sole right and responsibility to determine any disputed factual matters regarding termination of this agreement.

What is the influenza (flu) virus?

Influenza ("the flu") is caused by a virus which infects the nose, throat, and lungs. According to the US Center for Disease Control and Prevention (CDC), the flu is more dangerous than the common cold for children. Unlike the common cold, the flu can cause severe illness and life threatening complications in many people. Children under 5 who have the flu commonly need medical care. Severe flu complications are most common in children younger than 2 years old. Flu season can begin as early as October and last as late as May.

How can I tell if my child has a cold, or the flu?

Most people with the flu feel tired and have fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. Because the flu and colds have similar symptoms, it can be difficult to tell the difference between them based on symptoms alone. In general, the flu is worse than the common cold, and symptoms such as fever, body aches, extreme tiredness, and dry cough are more common and intense. People with colds are more likely to have a runny or stuffy nose. Colds generally do not result in serious health problems, such as pneumonia, bacterial infections, or hospitalizations.

A Guide
for Parents

INFLUENZA VIRUS

During the 2009 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes provide parents with information detailing the causes, symptoms, and transmission of the influenza virus (the flu) every year during August and September.

What should I do if my child gets sick?

Consult your doctor and make sure your child gets plenty of rest and drinks a lot of fluids. Never give aspirin or medicine that has aspirin in it to children or teenagers who may have the flu.

CALL OR TAKE YOUR CHILD TO A DOCTOR RIGHT AWAY IF YOUR CHILD:

- Has a high fever or fever that lasts a long time
- Has trouble breathing or breathes fast
- Has skin that looks blue
- Is not drinking enough
- Seems confused, will not wake up, does not want to be held, or has seizures (uncontrolled shaking)
- Gets better but then worse again
- Has other conditions (like heart or lung disease, diabetes) that get worse

How can I protect my child from the flu?

A flu vaccine is the best way to protect against the flu. Because the flu virus changes year to year, annual vaccination against the flu is recommended. The CDC recommends that all children from the ages of 6 months up to their 19th birthday receive a flu vaccine every fall or winter (children receiving a vaccine for the first time require two doses). You also can protect your child by receiving a flu vaccine yourself.

What can I do to prevent the spread of germs?

The main way that the flu spreads is in respiratory droplets from coughing and sneezing. This can happen when droplets from a cough or sneeze of an infected person are propelled through the air and infect someone nearby. Though much less frequent the flu may also spread through indirect contact with contaminated hands and articles soiled with nose or throat secretions. To prevent the spread of germs:

- Wash hands often with soap and water.
- Cover mouth/nose during coughs and sneezes. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.
- Limit contact with people who show signs of illness.
- Keep hands away from the face. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

When should my child stay home from child care?

A person may be contagious and able to spread the virus from 1 day before showing symptoms to up to 5 days after getting sick. The time frame could be longer in children and in people who don't fight disease well (people with weakened immune systems). When sick, your child should stay at home to rest and to avoid giving the flu to other children should not return to child care or other group setting until his or her temperature has been normal and has been sign and symptom free for a period of 24 hours.

For additional helpful information about the dangers of the flu and how to protect your child, visit: <http://www.cdc.gov/flu/>

10's Check Behind The Car

- BEFORE GETTING IN THE CAR AND STARTING THE ENGINE, walk around the car and CHECK FOR KIDS, TOYS, AND PETS!
- Make sure there is NOTHING UNDER OR BEHIND YOUR CAR that could attract a young child.
- PICK UP TOYS, BIKES, CHALK, OR ANY TYPE OF EQUIPMENT around the driveway so that these items don't entice kids to play.

Office of Family and
Community Services

10's Check the Back

- In just 10 MINUTES, a car's temperature can increase by 19°
- Before getting out of your car, check the back seat ... DON'T FORGET YOUR CHILD!
- NEVER leave your child alone in a car and CALL 911 IF YOU SEE ANY CHILD LOCKED IN A CAR!
- Place something in the back seat that you will need at work, school, or home (your laptop, your lunch).

Food and Nutrition Policy

We serve an AM and PM snack. Our snack choices will consist of nutri grain bars, granola bars, graham crackers, fruit, yogurt, cheese & crackers, cereal, gold fish, animal crackers, oreo cookies, fruit snacks, vanilla wafers, pretzels, cheese balls, rice krispie treats etc. The monthly snack calendar will be posted in the classrooms as well as on our parent board for review. We offer the option to participate in purchasing Pizza on Tuesdays which includes fruit or yogurt and a crunchy side with juice. Fridays we offer the option to purchase McDonalds. Again this is optional. Packed lunches need to be healthy, well balanced choices packed in a lunch box with an ice pack. Every child at registration is required to fill out a food experience permission form. You are asked to list any food based allergies or food restrictions that your child may have. Please make sure if your child develops a food allergy or your child's food restrictions change that you update the office as soon as possible so that we may update our files. If your child has a birthday you are welcome to bring in a treat for the class to share but we do ask that you check with your child's teacher for any allergies in the classroom before bringing something in. **All treats should be store bought and can not be homemade.**

QUALITY INDICATORS

Quality children's centers offer healthy, social, and educational experiences under qualified supervision in a safe, nurturing, and stimulating environment. Children in these settings participate in daily, age-appropriate activities that help develop essential skills, build independence and instill self-respect.

When evaluating the quality of a children's center setting, the following indicators should be considered:

CAREGIVERS

- » Are friendly and eager to care for children.
 - » Are aware of the presence and activities of all children in their care.
 - » Accept family cultural and ethnic differences.
 - » Are warm, understanding, encouraging, and responsive to each child's individual needs.
 - » Use a pleasant tone of voice and frequently talk with the children.
 - » Manage their behavior in a positive, constructive, and non-threatening manner.
 - » Allow children to play alone and in small groups.
 - » Are attentive to and interact with the children.
 - » Provide stimulating, interesting, and educational activities.
 - » Demonstrate knowledge of child development.
 - » Communicate with parents.
- #### ENVIRONMENT
- » Is safe and secure environment that fosters the growing independence of all children.
 - » Is clean, safe, inviting, comfortable, and child friendly.
 - » Has easy access to age-appropriate toys.
 - » Displays children's activities and creations.

ACTIVITIES

- » Are children initiated and teacher facilitated.
- » Include social interactions with all children.
- » Include play, painting, drawing, story telling, music, dancing, and other varied activities.
- » Include daily exercise for development of both small and large motor skills.
- » Include free play and organized activities.
- » Include opportunities for all children to read, explore, problem solve, and be creative.

PARENTS ROLE

- The parent's role in quality child care is vital to its success. In partnership with the caregiver to achieve this goal, parents should:
- » Provide complete and accurate enrollment and health records. Update information as needed.
 - » Become familiar with the child care standards required to license the children's center.
 - » Ask about staff turnover.
 - » Know the policies of the children's center.
 - » Communicate with the caregiver.
 - » Visit and observe the children's center.
 - » Participate in special activities, meetings, and conferences.
 - » Talk with child(ren) about daily experiences in the children's center.
 - » Arrange alternate care for a sick child.
