- **Please drop off and pick up your child in the classroom each day. This is for safety and to better communicate with you.**
- **Please **SIGN** them **IN & OUT** each day.**
- **We will be sending home weekly shout outs. Please make note of the items that are needed for each field trip and what we will be doing for lunch. Some days require a bagged lunch with no heat-ups, or activities may require certain things to be brought in. Please make sure your child has all that they need for each day.**
- **We offer the option to purchase lunch on Tuesdays (Pizza) and Fridays (Chic- Fil-A: 5pc nugget) both are served with two sides and a drink for \$5.00 each. Orders and payments are due on Mondays. These days are all optional and you may send your child a lunch, if you wish.**
- **There should be no toys brought from home to Trinity. We will be taking weekly field trips and be involved in many great activities. Thursday is a day where you may bring in electronics at your own risk. There will be other special days, which we will let you know in advance, for showing and playing with things from home.**
- **If there are certain field trips you wish your child not attend, you must plan alternate care for the day. We do not have any groups staying behind, there will be no discounts.**
- **Pictures will be taken during our fun outings and at school. We will be posting photos on the Trinity Website and on our Trinity Preschool Facebook page. No names will be given out of any of the students, but if you wish your child to not be included, please see Ms. Jaime and she will put you on the do not photo list.**
- **On the weekly shout out of events it will list when their T-shirts need to be worn. This helps us recognize our group when we are attending big field trips.**
- **All belongings should be labeled with your child's name. This is especially true on swim days. Don't forget to label their shirts and towels.**
- **Sneakers are required every day, NO crocs, slides or flip flops. Pool days they may wear other shoes but will need sneakers to put on when they return to Trinity.**

Child Discipline Policy

The 1985 Florida Legislature adopted a law to further protect children in childcare facilities. The law addresses child discipline in child care centers and states:

1. OM-12.03 Child Discipline.
Child Care facilities must ensure that age appropriate, constructive disciplinary practices are used for children in care.
 - (a) Children shall not be subjected to discipline, which is severe, humiliating or frightening.
 - (b) Discipline shall not be associated with food, rest or toileting.
 - (c) Spanking or any other form of physical punishment is prohibited.
2. Prior to admission of a child in a childcare facility, the facility shall notify the parent in writing of the disciplinary practices used by the facility. The specific types of discipline used for each group must be included in the written material provided to parents. Verification that childcare facilities have provided the parents in writing the disciplinary practices used by the facility shall be documented on the enrollment form or an equivalent form with the signature of the parent.

In compliance with the law, Trinity Preschool has prepared this statement about our child discipline policy:

We recognize that many discipline problems are prevented by careful scheduling of activities and expectations of individual children as age appropriate, and the use of positive communication and listening techniques. We use positive reinforcement and praise when encouraging appropriate behavior.

Occasionally, inappropriate behavior does occur. We will not allow aggressive acts towards other children and staff. It is our policy to:

1. Use positive communication techniques, enabling the child to become calm, to understand that there are better ways to express his or her feelings and to help the child understand responsibility for his or her behavior.
2. Redirect child to another activity.
3. Separate child if necessary to a chair within view of the teacher and children, giving him or her the opportunity to think over his or her actions and to collect him or herself.

The staff at Trinity Preschool will not use corporal punishment, ridicule, humiliation, or denial of food and drink. We will not refuse gross motor activities as a punishment as well. These techniques do not teach a child how to handle his or her behavior when they are upset or angry.

In exercising its discretion under the items listed above, the school will require the child and the child's parents or guardians to attend a conference(s) with school personnel regarding the matters that potentially warrant termination of the Agreement. The child's parents/guardians may request a conference with school personnel regarding the matters that potentially warrant termination.

The school's director or staff shall have the sole right and responsibility to determine any disputed factual matters regarding termination of this agreement.

Discipline Policy

The staff at Trinity Presbyterian Church Preschool has a policy of positive discipline. Each child must be aware of and be responsible for his or her own behavior and how it affects others to grow into a responsible adult capable of assuming his/her role in society. Our policy is to work with the students to encourage self-esteem and self-discipline. Your children are required to sign a covenant of community form and turn it in. All behavior issues will be recorded and kept on file. If your child exhibits behavior that requires discipline, we will try to resolve the issue by speaking with your child and enforcing consequences such as sitting out or losing privileges. Our teachers deal directly with the child for minor infractions of behavior. This normally takes the form of the teacher talking with the child, asking him/her to remedy such improper actions, and possibly redirecting him/her to another activity.

Discipline practices will be constructive and developmentally appropriate:

- 1.) Redirect the child's activity.
- 2.) If redirection does not work, the child will be removed gently from the situation (in clear sight of the teacher) so that the child can collect him/herself and think about more appropriate ways to conduct him/herself.
- 3.) When the child is ready to rejoin the group (usually about 1-2 minutes) the teacher then can discuss with the child some better choices that the child can make.
- 4.) The teacher will allow the child to rejoin the group in a positive and encouraging way.

At times, we may need parental input and cooperation in order to correct a problem. Child care personnel must appropriately interact with children to foster a healthy, safe environment that will encourage the child's physical, intellectual, motor and social development. Interactions with children that are aggressive, demeaning or intimidating in nature are strictly forbidden.

The purpose of discipline is to improve or teach proper behavior in a social setting. The staff will ensure that no child will be subjected to discipline which is severe, humiliating, or frightening or associated with food, rest or toileting. Spanking or any other form of physical punishment is prohibited by all child care personnel in the event of severe and repeated discipline problems, as determined by the teacher and the Director, the child will be removed from the group and sent to the Director's office.

The parents will be notified and asked to take the child home. If there are repeated incidences, at the second event, we will discuss with the parent, and obtain a signature from the parent on an incident report. A third incident may lead to suspension from our program. We reserve the right to suspend or expel a child at any time if behavior poses a danger to other children, staff or property. Trinity Presbyterian Church Preschool has a no hands policy. If hands are used the child will be asked to leave the program.

We will work with the family and make every effort to integrate the child back into the group. The staff at Trinity Presbyterian Church Preschool reserve the right to dismiss a child from the program, for just cause, if mutual agreement cannot be reached by all parties in question.

- Suitable attire is vitally important for the school day. We require your child to continue to wear the approved attire, which includes and not limited to any piece of clothing that has weapons or pictures of violence and closed toed shoes.
- Our program closes everyday at 6:00 pm. You must sign your child out no later than that. If you are going to be late, please call the preschool office to report. You will be charged \$5.00 per first 5 minutes and \$5 per minute after 6:05. Our closing time is reported to licensing and we are only allowed to have children in our care until then.
- Tuition is due no Monday mornings, no later then Wednesday morning. You may be charged a late fee for payments after that date. If you have a special situation you must see the director to make arrangements.
- Your child must stay home when they have any of the symptoms of illness listed in the handbook. If your child is sent home from the program they will not be readmitted the following day. We will not administer any medications for fevers, vomiting, or any other symptom of illness. These are all symptoms your child should be kept home for if they are exhibiting. All prescriptions must be in a pharmacy labeled container with their names and dosing instructions on them, and have a medication form filled out and signed by the guardian to be administered.
- Your child may be photographed and photos will be used in church/preschool newsletter and websites. No last names and personal information about the child will ever be given.
